

2016 Duck Race Official Rules

1. The event will be organized by Carey Services employees.
2. Businesses and individuals may purchase race tickets.
3. Tickets are sold for \$5 each and can be paid for by cash, check or credit card. Each ticket will bear a number that corresponds with one of the rubber ducks.
4. The rubber ducks will float around the lazy river toward a pre-determined finish line.
5. The “owner” of the duck has a nominal ownership of the duck for the race duration. The physical rubber ducks remain in the custody of Carey Services.
6. Cash prizes will be awarded to the “owners” of the first three ducks that float around the lazy river and cross the finish line. First place will receive \$1,500, second place will receive \$500, and third place will receive \$250.
7. Before the race, a random duck number will be selected. After the race is complete and the three cash-winning ducks are determined, a “losing” duck will be randomly plucked out of the water. If that duck matches the pre-selected duck number, the owner of that duck will win the \$25,000 special prize that is intended to be used for a new vehicle.
8. This event raises money for Carey Services’ clients and programming. The organizers will endeavor to ensure a fair race, but those buying tickets need to accept that the race is a game of chance and a number of circumstances could occur in which an element of luck will favor a particular duck or adversely affect other ducks. In particular:
 - a. The organizers will endeavor to place all ducks into the water at or about the same time and same place.

- b. If a duck fails to enter the water appropriately, it may have a reduced chance of winning
 - c. Ducks may be carried by the water's current into one of the lazy river's skimmer alcoves or other course obstacles.
 - d. As the ducks arrive at the finish line, the water's current will assist them into the finishing funnel.
 - e. All ducks are produced by the same manufacturer and are the exact same size, shape and weight.
9. The starting point and finish line are pre-determined.
10. The organizers will try to contact all winning owners. The names of the winners will be placed on the Carey Services website and used in Carey Services' social media. A list of winners also can be obtained by contacting the agency.
11. It is the intention to hold the race at the scheduled date and time; unforeseen circumstances might cause this time and/or date to be changed.
12. Members of the Carey Services Duck Race Committee and Carey Services' Senior Managers are not eligible to purchase Duck Race tickets.
13. Any disputes can be referred to the Carey Services Duck Race Committee. The committee's decisions are final.

The Carey Services Duck Race is a licensed event through the Indiana Gaming Commission, Charity Gaming Division (License #140300)

Proceeds from the Duck Race will be used to support client activities at Carey Services. Funds raised are used to support individual client needs and overall agency programs.

No money collected from this event will be spent to benefit any Carey Services employee.
