

Our vision and values

Carey Services has served people with disabilities throughout North Central Indiana since 1954. We have grown and expanded many times, and we have become a trusted and valued part of the communities we serve.

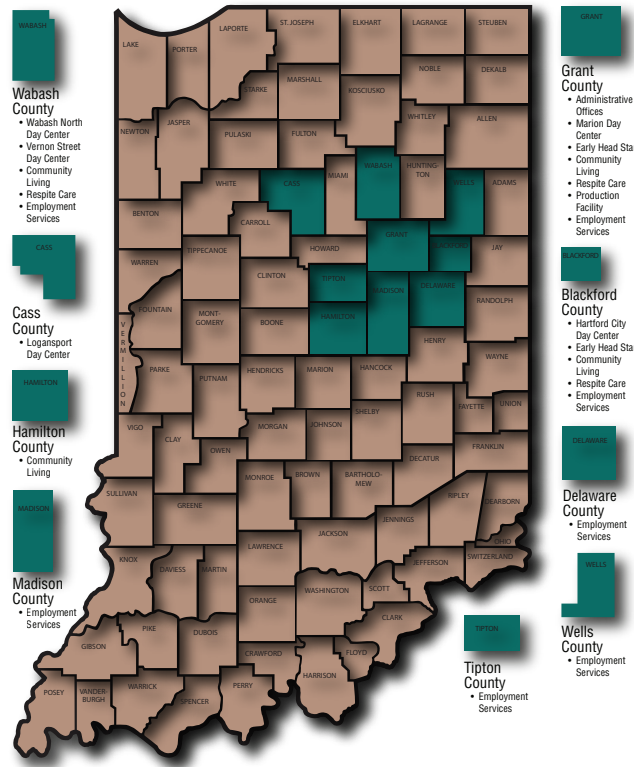

Four core values direct our work:

- ◆ Service
- ◆ Integrity
- ◆ Excellence
- ◆ Professionalism

We also have the following vision statement that guides every employee in their decision making:

“Carey Services envisions all people, regardless of their abilities or barriers, as empowered and equally valued members of the community.”

Production services overview

Are you missing a piece to your business success? Do you need additional production capabilities but don't want to make the long-term capital investment to meet those pressing needs?

Do you have parts of your production processes that require hand assembly or packaging that are difficult, or not cost-effective, to automate?

Carey Services has your solution.

We have an eager, dedicated workforce to meet your needs. Our people are experienced in assembly and packaging, and we have years of experience working with companies to meet their production and fulfillment needs.

Carey Services has been in the assembly business for more than 50 years, providing paid work to people with disabilities. Those people, in turn, have produced quality products and kept customers satisfied. We have worked with many of our clients for decades.

Our production services department teaches people with disabilities to work in a real-world environment. Employees receive daily training and supervision to develop the skills needed to successfully become productive citizens.

Need to solve a business puzzle? Give Carey Services a call and let our experience and our available workforce help you successfully complete your picture of maximized potential and increased productivity.
