JOB DEVELOPMENT/JOB COACH ACADEMY

December 8 & 9, 2016

9 a.m.-4 p.m.

Ivy Tech Community College, 261 S. Commerce St., Marion, IN

WANTED: People who are eager, available and willing to learn what it takes to be a superior job developer or job coach. This proven, hands-on, practical training will provide job developers with skills that will immediately improve their placement and retention outcomes and job coaches with skills that will help them better assist their clients.

The Job Coach Academy training on December 8 will include topics such as:

- Job coaching techniques
- Developing an Employment First culture
- Task analysis
- Customer service

The Job Development Academy training on December 9 will include topics such as:

- Job development techniques
- Maximizing the Discovery process
- Making the perfect job match

Cost: \$119 a person for each day

Group rate of \$99 a day a person for two or more people

If same person attends both days, cost is \$99 a day
