

## Celebrating Direct Support Professionals for National DSP Week!

Carey Services is proud to join the nation in celebrating National Direct Support Professional (DSP) Week, honoring the dedicated individuals who play a crucial role in enhancing the lives of the awesome individuals we serve. This week, we shine a spotlight on the varying opportunities and remarkable DSPs that make a difference every day!

In our eMPower Academy (Day Programming), we have a range of DSPs who cater to individual interests and needs. The *Career Specialists* work closely with individuals to provide tailored learning experiences on topics of their choice, helping individuals to gain independence and purpose. Meanwhile, our *Skills Specialists* in the Life Skills area facilitate activities that promote independence and meaningful engagement. These *Skills Specialists* also inspire artistic talents, empowering individuals to create and sell their art, providing both a creative outlet and an income source. And in the PAC/Respite program, DSPs create meaningful connections by caring for and engaging with individuals in community activities, often including family members and college students. In *Wabash and Logansport*, our DSPs serve individuals with higher physical and medical needs, offering extraordinary whole-person care.

In our Community Living programs, *Group Home* DSPs in Upland and Hartford City provide a home-like environment for individuals with higher behavioral and medical needs, fostering independence through family-style living. In *Marion and Wabash Residential*, Supported Living DSPs meet a range of needs, from 24-hour care to grocery trips or concert outings, supporting individuals at every stage of life and need.

Carey Services is dedicated to placing individuals where they can truly thrive, ensuring that their life goals and desires are being met on a daily basis. During National DSP Week, we extend our heartfelt gratitude to all our DSPs for their unwavering commitment to enhancing the lives of those we serve. **Your dedication and compassion make a world of difference, and we celebrate you this week and every week!**

## THANK YOU TO OUR AWESOME DSPS!
